# From the Superintendent

June is a reflective time, even more so if one happens to be the Interim Superintendent. Have you noticed that you have a wonderful school district?

Since my arrival in August, it feels like a tremendous amount of activity has taken place. It truly has been enjoyable to work with so many of you in pursuit of a myriad of tasks, seemingly all at hypersonic speed. I have seen much to make me appreciative of this great community.

This time of year features graduations, scholarship awards, and a host of special recognition events. Through the course of those events, it would be impossible to miss the quality of our graduates, the care given by their families, and support provided to them by the broad community. The stories of our youth and their achievements are inspiring. Any doubts that the future is in good hands is erased if one has the opportunity to witness these young people.

Behind the stories and the successes are some faces in the crowd that beam with pride. Our staff is keenly aware of the academic and personal strength of their students. The achievements were stellar in academics, music, arts, and athletics, both as teams and individuals. Even those achievements are overshadowed in some cases by the remarkable successes in overcoming adversity. Over and over, research confirms that children have their best chance if there is at least one staff member to whom they can turn for support and advice. Our staff members seem to intuit that need and give unsparingly of themselves to their students.

Equally inspiring was the community response to the overcrowding. The shock and depression of earlier bond losses was replaced by joy and a sense that now we are now doing the right thing for our children.

Yes, this is a wonderful place. It is a "good tired" feeling as we wrap up this incredibly fast school year! Thank you for your warm welcome.

# 2019 Students of Distinction

Superstar students reap the benefits of their hard work and dedication.

The Students of Distinction program, under the leadership of the Greater Gig Harbor Foundation, recently recognized thirty-seven Peninsula School District seniors with a celebratory banquet at Ocean5, where each student received a medal and scholarship. Seven “Panelist Choice” winners also received an additional scholarship and plaque.

Students of Distinction not only highlights student excellence in the classroom, but in other areas as well. The seven awarded categories are: Academic Achievement; Athletic Achievement; Career and Technical; Community Service; Music, Art, and Drama; Overcoming Adversity; and Science and Technology.

A distinguishing characteristic among all student recipients is their commitment to academics and leadership.

The program, hosted by Assistant Superintendent Dan Gregory, was described by many in attendance as “awe-inspiring.”

Director of Communications and Community Outreach, Kathy Weymiller, commented: “When you spend an evening with these amazing students, you can’t help but feel optimistic and enthusiastic about our collective future.”

## Academic Achievement

## Project Summary

The district has purchased the Boys and Girls Club on Skansie Ave., which will become Elementary School #10. Minor tenant improvements will be made during the summer of 2019 and the facility will open as a district-owned site in August 2019. For the 2019-2020 school year, four 5th grade classrooms from Discovery Elementary and four preschool classrooms from other schools will be housed in the building to ease elementary overcrowding.

During 2019-2020, new construction and modification to existing interior space will create a 30-classroom, full-size elementary school.

In the fall of 2020, the building will open as the district's first magnet school, drawing students from across the district.

Danielle O'Leary

I graduated from PHS in 2005. After graduation, I attended Washington State University with a Bachelor's in English and emphasis in Secondary Education. I started teaching English at PHS in 2009 and became the Leadership teacher and ASB Adviser in 2012. I earned my master's degree in School Administration and have been Dean of Students since 2017. I was just hired as the Assistant Principal at PHS, which is truly a dream job! I can't wait to continue to serve the school that has given so much to me. My husband and I live in Gig Harbor and have two children, Brynn (5) attending Purdy in the fall and Brady (15 months).
